

## **SECURITY REGULATIONS**

Our objective is to provide a quality show in which exhibitors and attendees/buyers can meet to transact business in a secure environment, and in a fair and equitable manner. To ensure this objective, the following security regulations are recommended by Management.

### **REGULATIONS:**

1. Official EBS Expo Beauty Show badges must be worn and plainly visible at all times by all individuals on the exhibit floor.
2. A badge may be worn only by the person whose name appears on it, and that person must be directly associated with an exhibiting firm. Anyone wearing or supplying an unauthorized badge or a badge belonging to another person will be subject to immediate removal from the show.
3. Exhibitors and buyers will be permitted on the exhibit floor only during hours specified in the Exhibitor Manual unless prior approval is obtained from Management.
4. Each booth or exhibit area must be occupied by at least one authorized properly identified person at all times.
5. When leaving the exhibit floor or the venue EBS badges should be kept out of sight of others, in order not to be identified as an exhibitor for security reasons.
6. Exhibitors should make arrangements for secure cab/uber pickup just for their staff through the loading dock at gate 5 or bay.
7. When leaving the venue at the end of the day with merchandise, Exhibitors should leave through platforms A, B and C, patrolled by security.
8. The Management recommends that the exhibitor hire a cash collection service for the daily sales.

### **INSURANCE:**

1. Neither Management, the Venue, nor the official security contractor will be responsible for Exhibitor's merchandise. All merchandise on the premises is at the Exhibitor's sole responsibility and risk.
2. Each exhibitor is responsible for obtaining insurance for their merchandise, exhibit and display. For a nominal sum, riders can be attached to your existing insurance policy to cover the loss, theft and/or damage to merchandise and booth equipment. Management or any subcontractors are not liable for loss or damage to property.

**FOR THE BENEFIT AND SECURITY OF ALL EXHIBITORS AND ATTENDEES/BUYERS, PLEASE REPORT ANY OBSERVED VIOLATIONS OF THE ABOVE TO THE OPERATIONS TEAM.**
